New Ventures Valuation Workshop

Vanderbilt's Center for Technology Transfer & Commercialization, in partnership with the Cool Springs Life Sciences Center, will host a New Ventures Valuation Workshop, **Friday, Nov. 1, from 8 - 10:30a.m.**, at the Cools Springs Life Sciences Center.

The session will be led by Glenn Perdue, managing member of Kraft Analytics, LLC and a certified valuation analyst. It will be a discussion of new venture and intellectual property valuation.

The workshop is designed for faculty, staff, grad students, professional students, post-docs and aspiring entrepreneurs. The event is free, but reservations are required as seating is limited.

RSVP:

heather.a.mcmillan@vanderbilt.edu

EVENT DETAILS:

rigved.joshi@Vanderbilt.edu

Inventors, investors, entrepreneurs, licensors and licensees must understand and be able to articulate the value of their patents and emerging technologies.

If you have developed valuable technology that you believe might be the basis of a startup and want to understand how they are valued, join us at the New Ventures Valuation workshop.

WHAT: New Ventures Valuation Workshop

WHEN: Nov. 1
